He explained that he feels recreational cannabis is wrong, the city should not be involved in it, and that he is concerned that since we cannot keep vaping out of the kids’ hands that we cannot control marijuana and keep it out of kids’ hands. He feels that by passing the approval of the taxing and allowing the sale of recreational cannabis in the city is supporting recreational cannabis and making it more available to the next generation.

Yeas: Commissioners Decker, Hill, Mingus, and Mayor Kahl.
Nays: Commissioner Sutherland.
Mayor Kahl declared the motion carried and Ordinance No. 4453 be adopted as presented.

Motion by Commissioner Hill, seconded by Commissioner Mingus; Mr. Mayor, I move you that Ordinance No. 4454 hereto attached, (AN ORDINANCE AMENDING THE ZONING CODE FOR THE CITY OF EAST PEORIA REGARDING ADULT-USE RECREATIONAL CANNABIS BUSINESSES) – to define and permit Adult-Use Cannabis Facilities as a Conditional Use in B-3 and M-1 Zoning Districts) be read at length by the Clerk, and that said Ordinance No. 4454 be accepted on its first reading, and be hereby adopted as presented.

The City Clerk read the ordinance at length.

Commissioner Hill explained that the city can regulate the locations through the zoning code to restrict and regulate those adult use recreational cannabis businesses that will be allowed at the state level. However, the city cannot stop adult-use recreational cannabis use in the city and surrounding communities cannot do so either.

Commissioner Decker explained that it is a difficult decision and the city does not have the authority to say that it is not allowed to use in East Peoria. However, the city can regulate the sale. He explained that he did receive comments regarding adult-use marijuana. He has had a majority of the responses urging him to vote yes and because of that he will be voting yes.

Commissioner Mingus explained that he has received comments from people opposed to the sale of adult-use cannabis in the city. Explained that no matter what the city decides use of recreational marijuana will be legal under the parameters of the state law. He commented on alternative means of revenue that he city has used besides property taxes. He explained that he will support the ordinance primarily because the city can make money on the sale and the city can get things done that the city would not otherwise be able to get done.

Commissioner Sutherland explained that he cannot support the ordinance. He feels that it is money grab.

Mayor Kahl explained that adult-use recreational cannabis will be legal and it is here now illegally. The use of recreational cannabis will be lawful January 1, 2020. He explained that he has a personal opinion and a job as mayor and with responsibilities. The city will be dealing with it one way or another. He commented on how the funds are appropriated in the state law. The 8% that is to be shared with the municipality for public safety is not 8% of the total revenue. It is 8% of something that is less than the total revenue, and the city needs money for training. He will be supporting this. Mayor Kahl commented on not having problems with medical marijuana the last four years that the business has been operating. He explained that this ordinance regulates the adult-use cannabis businesses. He explained that public use of marijuana will not be allowed. On-site consumption will also not be allowed in the city. He explained that the ordinance change regulates the number of businesses that will be allowed and the restrictions on those businesses.

Yeas: Commissioners Decker, Hill, Mingus, and Mayor Kahl.
Nays: Commissioner Sutherland.
Mayor Kahl declared the motion carried.

Motion by Commissioner Hill, seconded by Commissioner Mingus; Mr. Mayor, I move you that Ordinance No. 4455 hereto attached, (AN ORDINANCE AUTHORIZING A SPECIAL USE FOR PROPERTY LOCATED AT 225 EDGEWOOD DRIVE IN THE CITY OF EAST PEORIA, TAZEWELL COUNTY, ILLINOIS) – to allow for placement of two accessory structures (storage sheds) on the property be accepted on its first reading as read by its title, and be laid on the table for no less than one week for public inspection.

Commissioner Hill explained that this special use allows for two accessory structures on the property. He commented on the uniqueness of the property and that the Zoning Board of Appeals recommended approval.

Yeas: Commissioners Decker, Hill, Mingus, Sutherland, and Mayor Kahl.
Nays: None.
Mayor Kahl declared the motion carried.

Motion by Commissioner Decker, seconded by Commissioner Hill; Mr. Mayor, I move you that Ordinance No. 4457 hereto attached, (AN ORDINANCE PROPOSING APPROVAL OF THE CREATION OF A SPECIAL SERVICE AREA AND SETTING A PUBLIC HEARING FOR REVIEWING THE USE OF THE SPECIAL SERVICE AREA TO FUND IMPROVEMENTS TO ACCESS ROAD 6 IN THE CITY OF EAST PEORIA, TO LEVY A PROPERTY TAX AGAINST THOSE PROPERTIES BENEFITED BY THE ROAD IMPROVEMENTS, AND TO INCUR DEBT FOR FINANCING THE ROAD IMPROVEMENT PROJECT) be read at length by the Clerk, and that said Ordinance No. 4457 be accepted on its first reading, and be hereby adopted as presented.

The City Clerk read the ordinance at length.
Commissioner Decker commented on the proposed special service area ("SSA") and condition of the road. He explained that there are several businesses located on this road and that the property owners on the road have decided to pay the debt through the taxing process.

Director of Planning and Community Development, Ty Livingston, explained that he has been working with the property owners for quite some time. This SSA allows the city to put the amount to be paid on the property taxes. This is a legal process and the property owners are all in agreement. He explained that the process is to be begun this fall with completion this year.

Commissioner Decker explained that the city does not have the funds, and he appreciates the businesses being here and working together to get this accomplished.

Commissioner Sutherland inquired as to whether there is old sewer, storm sewer, or water infrastructure under the road.

Director of Public Works, Dennis Barron, explained that there are items regarding storm sewer that have to be fixed as a part of this project; however, he cannot speak to the age or what water or sewer lines may be in this location tonight.

Commissioner Sutherland believes that the city should investigate whether there is old infrastructure underneath the road. He would hate to see a new road go in over the older sewer, storm sewer, or water infrastructure should it need to be fixed.

Yeas: Commissioners Decker, Hill, Mingus, Sutherland, and Mayor Kahl.
Nays: None.

Mayor Kahl declared the motion carried and Ordinance No. 4457 to be duly adopted as presented.

Resolution No. 1920-060 by Commissioner Decker, seconded by Commissioner Mingus; BE IT RESOLVED BY THE COUNCIL OF THE CITY OF EAST PEORIA, ILLINOIS that Resolution No. 1920-060, hereto attached, a Resolution to Approve Contract for Engineering Services with Midwest Engineering Associates for Camp Street/River Road Signalized Intersection Improvements, be approved. Mr. Mayor, I move you that this Resolution No. 1920-060 be accepted on its first reading as read by its title, and be laid on the table for no less than one week for public inspection.

Commissioner Decker explained that the purpose of this project is to prevent a potentially dangerous situation of backing up or stacking up of cars on the roadways. These improvements reflect changes to the intersection as a result of not building a roundabout at the intersection.

Director of Planning and Community Development, Ty Livingston, explained that the agreement reflects a change from a roundabout to a signalized intersection. It is the intention that when someone comes off the Bob Michel Bridge you will be able to turn left into the Embassy Suites. There will be two left lanes going from Camp Street going on to River Road toward the Bob Michel Bridge; a free-flowing right turn lane by Huck’s gas station; and retains the pedestrian crossings.

Yeas: Commissioners Decker, Hill, Mingus, Sutherland, and Mayor Kahl.
Nays: None.

Mayor Kahl declared the motion carried.

Motion by Commissioner Mingus, seconded by Commissioner Decker; Mr. Mayor, I move you that Ordinance No. 4456 hereto attached, (AN ORDINANCE AMENDING TITLE 9, TITLE 10, AND TITLE 11 OF THE EAST PEORIA CITY CODE TO ACCOMMODATE THE ADULT USE OF RECREATIONAL CANNABIS PURSUANT TO STATE LAW) be read at length by the Clerk, and that said Ordinance No. 4456 be accepted on its first reading, and be hereby adopted as presented.

Commissioner Decker commented on the changes being done to ensure the city code is consistent with the state law changes.

Yeas: Commissioners Decker, Hill, Mingus, and Mayor Kahl.
Nays: Commissioner Sutherland.

Mayor Kahl declared the motion carried and Ordinance No. 4456 to be duly adopted as presented.

Resolution No. 1920-059 by Commissioner Mingus; WHEREAS, amendments to the Emergency Telephone System Act, 50 ILCS 750, mandated the consolidation of the currently existing four 911 dispatch centers serving Tazewell County down to two dispatch centers ("Consolidation Mandate"); and WHEREAS, the City Council has previously approved an intergovernmental agreement (the "Agreement") with Pekin, Washington, Morton, Tazewell County, the Tazewell County Sheriff’s Office, and the Tazewell County Emergency Telephone Systems Board (the “Parties”) in accordance with the Consolidation Mandate; and WHEREAS, under the terms of the Agreement, the Parties agreed to work cooperatively to establish an intergovernmental agency named TC3 for the purpose of providing 911 dispatch services in Tazewell County; and WHEREAS, the Agreement further provides that TC3 is to be governed by a Governance Board and that daily operations of TC3 are to be managed by an Operations Committee; and WHEREAS, pursuant to the Agreement and the Bylaws attached as Exhibit B hereto, the City of East Peoria has two seats on the Governance Board and two seats on the Operations Committee; and WHEREAS, consistent with the Mayor’s recommendation, the City desires to appoint Chief of Police Steven Roege as one of the City’s representatives on the TC3 Operations Committee to replace the City’s representative position that was most recently held by the retired Deputy Chief of Police Shannon Swearingen;

River Road bridge was closed that he feels is a danger. Mr. Martin explained that he called the Police Department and he feels that no one is policing it. He commented on containers being allowed on a property. He explained that he will submit his plan again and see what happens. The size of the garage was the issue for the Zoning Board of Appeals.

Billy Bassham came up to the podium and explained that he has been trying to build a garage on 310 Chicago Street. He explained that he is getting ready to submit a plan again through Zoning to put a garage on 520 Monson Street. He inquired as to whether he needs to know something about building a garage on the property. He compared his property to another property that had a building that was approved.

Mr. Bassham explained that he would tear down the home. He commented on setbacks of the proposed building on the property. He commented on a prop shop in the area with junk cars that he feels that no one is policing it. He commented on containers being allowed on a property. He explained that he will submit his plan again and see what happens. The size of the garage was the issue for the Zoning Board of Appeals.

Mr. Norm Sales came up to the podium and commented on the last city council meeting. He explained that he could
not attend the meeting. He commented on the request for a Fire Truck that he feels that the city cannot afford because of excessive worker’s compensation costs. He feels that there are just a handful of employees that are getting worker’s compensation. He feels that there is something wrong with the process or the safety training.

Rick Martin from 325 Oakwood Avenue came up to the podium. He commented on the traffic on Ridge Road after Hill
Road bridge was closed that he feels is a danger. Mr. Martin explained that he called the Police Department and he feels that no one has taken notice of it. He feels that if his comments save one person’s life and if it changes one thing, then he feels that his visit tonight is successful. Second, he feels that he would be doing the police officers and firefighters a disservice if he did not comment on marijuana. He explained that his son is a firefighter in Peoria. His dad is the oldest living retired police officer that is currently living. He knows what kind of character it takes to be a police officer and firefighter. He feels that moral issues do not change, and he feels that he has a moral obligation to his grandkids. He commented on his father busting illegal gambling and drug offenses as a police officer.

Joyce Brooks came up to the podium and she lives next door to the property where Mr. Bassham wants to put the garage. She feels that he should be able to place a garage there. She explained that he needs a place to put the equipment and he not only uses the equipment for his business but to help others, such as senior citizens. Mayor Kahl recommended the Ms. Brooks attend the Zoning Board of Appeals meeting when Mr. Bassham’s case comes forward and speak at the hearing.

Bob Sinks came up to the podium to speak on several items. He inquired where Edgewood Drive is located and that he feels that the city does not have the funds to purchase a new fire engine. He inquired as to how many miles are on the Fire Trucks. Fire Chief Knapp explained that there are over 100,000 miles on the two engines that he was proposing to sell. There is also considerable hour life, which the biggest concern, on the fire engines per fire standards. Chief Knapp explained that the rules are specific, lives depend on these vehicles, and he would as soon not put band aids and more money into older vehicles as he feels that it is a disservice and a waste of money. Mr. Sinks explained that the city is broke, and he inquired as to how much is enough. He commented on expenditures for the Wastewater Treatment Upgrade Project. He does not believe that the Fire Chief is wrong; however, he asked when the city is going to stop spending money away. He does not want the city to go bankrupt.

Mayor Kahl asked for any additional comments from the audience. There was no response.

Mayor Kahl then asked for comments from Council.

Commissioner Decker commented on Hill Road being deemed too dangerous as the pavement was pulling away from the guardrails. The costs for a bridge replacement at the time was $500,000, and it became something that was not supported at the time. The road itself would likely need service as time has passed. He would like to put Hill Road back on the radar for people to utilize and he feels it would make the area safer.

Mr. Martin asked about considering a speed bump. Commissioner Decker explained that there is a fear that speed bumps may cause people to lose control.

Commissioner Decker explained that he will talk to the Superintendent of Streets about alternatives for slowing traffic in the area.

Commissioner Hill commented on code enforcement and that the city has an obligation to enforce a code of ordinances and city officials and city staff does not ignore those. There is code enforcement going on throughout the city. There have been 463 notices of code violations in the city and the percent for Richland Farms is 15.7% in relation to others. 84% of code violations are in other areas of the city. He commented on a new process that will be implemented that will include an administrative review of code enforcement issues that will involve code enforcement and city officials.
enforcement staff, administrative staff and others. The East Peoria Historical Society Annual Ice Cream Social is this Saturday from 12p-3p. The proceeds benefit the East Peoria Historical Society.

Commissioner Sutherland commented on the Sewer Treatment Plant Project. There is a three percent built in contingency and changes. The city has contracted with a very competent third-party contractor to represent the city on the project. At the beginning of the project, it is the foundation going in now and those things that are in the ground that you cannot see. This helps prevent further issues in the job after the city gets out of the ground. He commented on the McCluggage Bridge project and the insurance company basing coverage looking at three to four people that they feel will die during the project. There are forty-five construction workers in Illinois that lose their life every year. He would rather someone be on workers compensation that should be on it rather than deceased.

Mayor Kahl commented on the public safety aspect of the recreational cannabis act. It will impact the community, people need to be trained, and there are costs associated with it. The city needs to ensure that we cover those costs. The state made it legal; the city did not. He explained that there are workers compensation costs and many of the things are because of state law. The city will address workers compensation costs and make 100% effort to control costs.

Mayor Kahl explained that Farmers Market is this Friday from 4:00 p.m. to -7:00 p.m., this Friday is Friday Night Lights and this Saturday from 4:00 p.m. to 7:00 p.m. is a classic car show. He explained that on Monday Chief Roegge awarded the Life Saving Award to Officer Zack Frank. An elderly woman was missing, and Officer Frank took a lead to locate the vehicle and located the woman, saving her life. Tuesday, September 24 is the Tazewell County Cops, Cars and Kids from 4:00 p.m. to 6:30 p.m.

Motion by Commissioner Sutherland, seconded by Commissioner Mingus; Mr. Mayor, I move you that we adjourn until Tuesday evening, October 1, 2019 at 6:00 P.M.

SUBJECT:    Petition of Laurence Vaughn for a Special Use to allow for the placement of an accessory structure in the front yard on property located at 225 Edgewood Dr.

BACKGROUND: The petitioner here is seeking a Special Use to permit an accessory structure in the front yard. Given the topography of the sides and rear yards along with the placement of the home, this is a reasonable request. This is the second accessory structure here in the front yard but even with 2, the total square footage will be well below the allowed limit of 1,250sf. The petitioner indicated this structure will be of a similar appearance to an addition that was added to the home some years back. Also, given how well screened this home is from the street, staff does not have any aesthetic concerns here. Lastly, since the existing shed doesn’t appear to have a Special Use in-place, this new one will cover both structures to provide some level of comfort to future owners.

The zoning board voted 6-0 to recommend approval of the proposed Special Use, as presented.

RECOMMENDATION: Approval of the proposed Special Use, as presented.
ORDINANCE NO. 4455

AN ORDINANCE AUTHORIZING A SPECIAL USE FOR PROPERTY LOCATED AT 225 EDGEWOOD DRIVE IN THE CITY OF EAST PEORIA, TAZEWELL COUNTY, ILLINOIS

WHEREAS, Laurence Vaughn (the “Petitioner”) has petitioned for a special use for accessory buildings on his property zoned “R-1 One-Family Dwelling District” and located at 225 Edgewood Drive in East Peoria, as shown and described at "Exhibit A", attached hereto and incorporated herein by reference (which property as so described hereinafter referred to as the "Property"); and

WHEREAS, after hearing pursuant to duly published notice, the East Peoria Zoning Board of Appeals has recommended approval of the proposed Special Use subject to certain conditions hereinafter set forth;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF EAST PEORIA, TAZEWELL COUNTY, ILLINOIS, THAT:

Section 1. A Special Use to allow for placement of two accessory structures (storage sheds) on the Property is hereby approved.

Section 2. The establishment and continuation of the special use hereby authorized is contingent upon continual compliance with all applicable provisions of the City Code and the following special conditions:

1. The existing accessory building (storage shed), approximately 8 feet by 10 feet in size, shall be located in the front yard of the Property as set forth in the submitted Site Plan (“Exhibit B”).

2. A new accessory building (storage shed), approximately 10 feet by 12 feet in size, shall be located in the front yard of the Property as set forth in the submitted Site Plan (“Exhibit B”).

3. Both accessory structures shall have and be maintained with a similar appearance.

4. The locations of the two accessory buildings authorized by this Ordinance shall be continuously maintained in accordance with the submitted Site Plan (“Exhibit B”).

Upon the violation of or failure to comply with the foregoing conditions or with any provisions of the City Code applicable to the Property or its use, the City Council may,
after providing reasonable notice and an opportunity for a hearing, terminate the Special Use hereby approved.

Section 3. This Ordinance is hereby ordered to be published in pamphlet form by the East Peoria City Clerk and said Clerk is ordered to keep at least three (3) copies hereof available for public inspection in the future and in accordance with the Illinois Municipal Code.

Section 4. This Ordinance is in addition to all other ordinances on the subject and shall be construed therewith excepting as to that part in direct conflict with any other ordinance, and in the event of such conflict, the provisions hereof shall govern.

Section 5. This Ordinance shall be in full force and effect from and after its passage, approval and ten (10) day period of publication in the manner provided by law.

EXHIBIT B
Site Plan for Special Use (225 Edgewood Drive)
TO: The Honorable Mayor and City Council

FROM: Ty Livingston, Director of Planning & Community Development

DATE: September 11, 2019

SUBJECT: Proposal to provide professional engineering services for the Camp & River intersection improvements.

BACKGROUND: After receiving approval from the Peoria-Pekin Urbanized Area Transportation Study Policy and Technical Committees (PPUATS), the City is now ready to have Midwest Engineering rework the official design of this intersection. The change here, from a round-a-bout to a traditional signalized intersection, is consistent with the direction provided by the City Council. In addition, it is approximately one-third of the cost of the initial design. This new design will feature a dedicated right turn lane from River onto Camp, a double-left turn lane from Camp onto River, maintain existing pedestrian crossings, and is planned to restore the left turn lane from River onto Conference Center. With respect to the latter, the term “planned” is used as this has been proposed to IDOT and so far, it has been met with their support. The work to be done by Midwest Engineering here will provide us with a definitive answer on this matter.

The services here represent a reworking of the plan required by IDOT and the FHWA. This new intersection is significantly different from the round-a-bout, so while the proposal mentions revising in a number of locations, there’s a good amount of new work to be done to receive final approval. The cost of the services here is an amount not to exceed $144,450. These services are a TIF-eligible expense.

As the goal is still have this project coincide with the Murray Baker Bridge work next year, timing is of the essence to allow Midwest Engineering to commence this work immediately to be able to receive all approvals needed and acquire the remaining r-o-w for construction to begin in the summer of 2020 shortly after the 4th of July.

RECOMMENDATION: Approval of the proposed agreement, as presented.

EXHIBIT B – Land Acquisition
Scope of Services

Since the project includes Federal Funds, land acquisition needs to follow Federal procedures. The appraisals need to be performed by an IDOT approved appraiser and each appraisal also needs to be reviewed by an IDOT approved appraiser. Midwest Engineering Associates (MWEA) anticipates using DECA Properties and Neff Valuation to complete the appraisals. (Midwest Engineering Associates recently used the same two appraisers to complete the land acquisition for over 40 parcels for a nearby local agency as a part of their streetscaping project). The appraiser’s effort will not be marked up by MWEA.

MWEA will meet with the property owners to negotiate the acquisition of the right-of-way parcels and temporary easements along with preparing and submitting the required documentation in accordance with IDOT’s / FHWA’s meticulous land acquisition polices.

The land acquisition scope of services is based on needing Temporary Easements and Right-of-Way at the following locations:

- The Huck’s quadrant includes two (2) right-of-way parcels and one (1) temporary easement parcel.
- The Qdoba quadrant includes one (1) right-of-way parcel and one (1) temporary easement parcel.

The Embassy Suites quadrant is owned by the City and there are documents that need to be completed by Embassy Suites. MWEA will provide said documents to the City for Embassy Suites to execute.

The right-of-way and temporary easements needed from the Sprint/Sherman Williams quadrant were acquired when the building was purchased a few years ago. It is presumed that no additional easements or right-of-way will be required.

Additional Services

Any additional services can be performed as needed with a scope, fee, and schedule to be identified and agreed upon by Midwest Engineering Associates and the City of East Peoria at a later time.

MEMORANDUM

September 26, 2019

TO: Mayor John P. Kahl and Members of the City Council

FROM: Scott A. Brunton, City Attorney’s Office

SUBJECT: Ordinance Authorizing Refunding of the City’s 2010A Bonds

DISCUSSION:

In 2010, the City issued its Series 2010A Bonds (General Obligation – Alternate Revenue Source) to fund expenses incurred by the City in connection with the Bass Pro Shops development project in the Camp St. TIF District. Recently, long-term interest rates on taxable municipal bonds have significantly declined since those bonds were issued back in 2010. Moreover, the City has the authority at any time in its discretion to refund these Series 2010A Bonds to take advantage of lower interest rates.

As a result of this transaction, the City will realize an estimated reduction in total debt service after expenses of approximately $1,527,000 over the course of the remaining 14 years of debt service payments on these taxable general obligation bonds (alternate revenue source), with an approximate savings of $110,000 per year over these 14 years. As these savings projections are based upon the current favorable market rates, actual savings will be determined on the date of sale.

Chapman & Cutler will be acting as the City’s Bond Counsel in this matter, as they have done on past occasions with the City bond issues, which includes the issuance of the Series 2010A Bonds. Also, Robert W. Baird and Company, who has assisted the City with numerous bond issues in the past including the Series 2010A Bonds, will be acting as the managing underwriter for this refunding bond issue.

RECOMMENDATION:

Approval of this Ordinance.
AN ORDINANCE authorizing and providing for the issuance of not to exceed $18,225,000 Taxable General Obligation Refunding Bonds (Alternate Revenue Source), Series 2019, of the City of East Peoria, Tazewell County, Illinois, for the purpose of refunding certain outstanding alternate revenue bonds of said City, authorizing the execution of a bond order in connection therewith, pledging certain revenues of said City, providing for the imposition of taxes to pay the same, authorizing the execution of an escrow agreement in connection therewith, and authorizing the sale of said bonds to the purchaser thereof.

Introduced by the Council on the 1st day of October, 2019.

Adopted by the Council on the 15th day of October, 2019.

1 and July 1, commencing on January 1, 2020 or such later date as may be provided in the Bond Order. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the Record Date, or as otherwise agreed by the City and the Depository while the Bonds remain in Book-Entry Form as hereinafter provided. All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any
Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 7. Redemption. A. Mandatory Redemption. If so provided in the Bond Order, any Bonds may be issued as term bonds ("Term Bonds") and be subject to mandatory redemption on January 1 of the years and in the amounts as shall be provided in such Bond Order at a redemption price of par plus accrued interest to the date fixed for redemption.

The City hereby covenants and agrees that it will redeem Term Bonds pursuant to the mandatory redemption required for such Term Bonds. Proper provision for mandatory redemption having been made, the City covenants that the Term Bonds so selected for redemption shall be payable as at maturity.

Unless otherwise stated in the Bond Order, if the City purchases or redeems Term Bonds of any maturity from Bond Moneys and cancels the same as hereinafter described, then an amount equal to the principal amount of Term Bonds so purchased shall be deducted from the mandatory redemption requirement as provided for Term Bonds of such maturity, first, in the current year of such requirement, until the requirement for the current year has been fully met, and then in any order of payment on the Term Bonds as due at maturity or subject to mandatory redemption in any year as the City shall at such time determine.

If the City purchases Term Bonds of any maturity and cancels the same from moneys other than Bond Moneys, then an amount equal to the principal amount of Term Bonds so purchased shall be deducted from the amount of such Term Bonds as due at maturity or subject to mandatory redemption requirement in any year as the City shall at such time determine.

B. Optional Redemption. If so provided in the Bond Order, any Bonds shall be subject to redemption prior to maturity at the option of the City, from any available funds. The Bonds may
be issued subject to optional redemption on any date. As may be provided in the Bond Order, any Bonds may be issued subject to optional redemption in whole or in part, and if in part, in such principal amounts and from such maturities as shall be determined by the City, and if less than an entire maturity, in integral multiples of $5,000, selected by lot by the Bond Registrar as hereinafter provided, at such redemption price as shall be set forth in the Bond Order, provided, that no Bond shall bear a redemption price in excess of 101% of the principal amount being redeemed, plus accrued interest to the date fixed for redemption.

Section 8. Redemption Procedure. The Bonds subject to redemption shall be identified, notice given, and paid and redeemed pursuant to the procedures as follows:

1. Redemption Notice. For a mandatory redemption of Term Bonds, the Bond Registrar shall proceed to redeem the Term Bonds without any further order or direction from the City whatsoever. For an optional redemption, the City shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount and maturities of Bonds to be redeemed.

2. Selection of Bonds within a Maturity. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any $5,000 Bond or $5,000 portion of a Bond shall be as likely to be called for redemption as any other such $5,000 Bond or $5,000 portion. The Bond Registrar shall make such selection (1) upon or prior to the time of the giving of official notice of
redemption, or (2) in the event of a refunding or defeasance, upon advice from the City that certain Bonds have been refunded or defeased and are no longer Outstanding as defined.

3. **Official Notice of Redemption.** The Bond Registrar shall promptly notify the City in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed. Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class U.S. mail not less than 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All official notices of redemption shall include the name of the Bonds and at least the information as follows:

   (a) the redemption date;

   (b) the redemption price;

   (c) if less than all of the outstanding Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;

   (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
(e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office designated for that purpose of the Bond Registrar.

4. **Conditional Redemption.** Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

5. **Bonds Shall Become Due.** Official notice of redemption having been given as described, the Bonds or portions of Bonds so to be redeemed shall, subject to the stated condition in paragraph (D) immediately preceding, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due.

6. **Insufficiency in Notice Not Affecting Other Bonds; Failure to Receive Notice; Waiver.** Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency
of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. In lieu of the foregoing official notice, so long as the Bonds are held in book entry form, notice may be given as provided in the Representation Letter, and the giving of such notice shall constitute a waiver by DTC and the book entry owner, as registered owner, of the foregoing notice. After giving proper notification of redemption to the Bond Registrar, as applicable, the City shall not be liable for any failure to give or defect in notice.

7. **New Bond in Amount Not Redeemed.** Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of Authorized Denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

8. **Effect of Nonpayment upon Redemption.** If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall become due and payable on demand, as aforesaid, but, until paid or duly provided for, shall continue to bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption.

9. **Bonds to Be Cancelled; Payment to Identify Bonds.** All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be
reissued. Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the issue date and maturity date of the Bonds being redeemed with the proceeds of such check or other transfer.

10. Additional Notice. The City agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; provided, however, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the City (unless a separate agreement shall be made), (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and (4) any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given.

11. Bond Registrar to Advise City. As part of its duties hereunder, the Bond Registrar shall prepare and forward to the City a statement as to notices given with respect to each redemption together with copies of the notices as mailed.

Section 9. Book-Entry System Authorized; Registration of Bonds; Owners. A. Book-Entry System Authorized. If requested by the Purchaser, the Bonds shall be initially issued in Book-Entry Form. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register therefor in the name of CEDE & Co., or any successor thereto, as nominee of the Depository. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of CEDE & Co., as nominee of the Depository. Any Designated Officer is authorized to execute and deliver on behalf of the City a Representation Letter. Without limiting the generality of the authority given to such Designated Officer with respect to entering into such
Representation Letter, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interest therein, (c) redemption notices or procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of CEDE & Co., as nominee of the Depository, the City and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institutions for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “Depository Participant”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the City and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, CEDE & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, or any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of CEDE & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month
next preceding the applicable interest payment date, the name “CEDE & Co.” in this Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the City determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the City, the Bond Registrar and the Depository evidenced by the Representation Letter shall be terminated for any reason, or (c) the City determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify the Depository of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of CEDE & Co., as nominee of the Depository. The City may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the City, or such depository’s agent or designee, and if the City does not select such alternate book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of CEDE & Co., as nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

In the event that the Bonds ever become generally registrable, as aforesaid, the City Treasurer may, in his or her discretion at such time, designate a bank with trust powers or trust company, duly authorized to do business as a bond registrar, paying agent, or both, to act in one or both such capacities hereunder, in the event that the City Treasurer shall determine it to be advisable. Notice shall be given to the registered owners of any such designation in the same
manner, as near as may be practicable, as for a notice of redemption of Bonds, and as if the date of such successor taking up its duties were the redemption date.

B. REGISTRATION OF BONDS; OWNERS. The City shall cause the Bond Register to be kept at the principal office maintained for the purpose by the Bond Registrar, which is hereby constituted and appointed the registrar of the City for the Bonds. The City is authorized to prepare, and the Bond Registrar or such other agent as the City may designate shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office of the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the relevant Record Date or the giving of notice of redemption of Bonds to the opening of business on such interest payment date or to transfer or exchange any Bond all or a portion of which has been called for redemption.

The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, the principal amount of Bonds of each maturity
authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or the owner’s legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. No service charge shall be made for any transfer or exchange of Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Section 10. Form of Bond. The Bonds shall be in substantially the form hereinafter set forth; provided, however, that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend “See Reverse Side for Additional Provisions” shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

Section 11. Treatment of Bonds as Debt. The Bonds shall be payable from the Pledged
Moneys and shall not constitute an indebtedness of the City within the meaning of any
constitutional or statutory limitation, unless the Full Faith and Credit Taxes shall have been
extended pursuant to the general obligation, full faith and credit promise supporting the Bonds, as
set forth in Section 14 hereof, in which case the amount of the Bonds then Outstanding shall be

the Pledged Revenues for a complete Fiscal Year, in accordance with the Reform Act.

Section 12. Pledged Rental Income Account; Camp Street Special Tax Allocation Fund
– Accounts; Subordinated West Washington Street Incremental Property Taxes; Pledged Sales
**Tax Account.** A. **PLEDGED RENTAL INCOME ACCOUNT.** There is hereby continued a special fund of the City to be known as the “Pledged Rental Income Account” (the “Pledged Rental Income Account”), to be held by the City separate and apart from all other funds and accounts of the City. All of the Pledged Rental Income shall be set aside as collected and remitted by the City Treasurer for deposit in the Pledged Rental Income Account, which is a trust fund hereby continued for the purpose of carrying out the covenants, terms and conditions imposed upon the City by the Reform Act and this Ordinance. The Bonds are secured by a pledge of all of the Pledged Rental Income on deposit in the Pledged Rental Income Account, and such pledge is irrevocable until the obligations of the City are discharged under this Ordinance.

Not later than each November 15, the City Treasurer shall continue to conduct an accounting (a “Rental Income Accounting”) to determine the balance of Pledged Rental Income on deposit in and to the credit of the Pledged Rental Income Account.

Each Rental Income Accounting shall determine the Principal Requirement and the Interest Requirement for the next Bond Year. In the event the City Treasurer shall determine upon any Rental Income Accounting that Pledged Rental Income is not necessary fully to pay (at Stated Maturity, upon redemption or otherwise) the Principal Requirement and the Interest Requirement, the City Treasurer shall promptly notify Bond Counsel as provided in the Lease and shall take such action as Bond Counsel shall determine is necessary to assure that the interest on any previously issued Tax Exempt bonds continues to be excludable from the gross income of the owners thereof for federal income tax purposes.

B. **THE CAMP STREET SPECIAL TAX ALLOCATION FUND.** The Camp Street Special Tax Allocation Fund is hereby expressly continued as a special fund of the City, to be held by the City except as hereinafter expressly provided, which fund shall be held separate and apart from all other funds and accounts of the City. All of the Camp Street Incremental Property Taxes and any other
revenues, from any source whatsoever (except with respect to the Pledged Rental Income, the Subordinated West Washington Street Incremental Property Taxes and the Sales Taxes and any investment earnings as hereinafter provided) designated to pay principal of, interest on and premium, if any, on the Bonds and any Additional Bonds shall be set aside as collected and be remitted by the City Treasurer for deposit in the Camp Street Special Tax Allocation Fund, which is a trust fund heretofore established and hereby continued for the purpose of carrying out the covenants, terms and conditions imposed upon the City by the TIF Act and by this Ordinance. The Bonds are secured by a pledge of all of the Pledged Incremental Property Taxes on deposit in the Camp Street Special Tax Allocation Fund, and such pledge is irrevocable until the obligations of the City are discharged under this Ordinance.

As provided in the TIF Act, the Camp Street Incremental Property Taxes are to be paid to the City Treasurer by the officers who collect or receive the Camp Street Incremental Property Taxes. Whenever the City Treasurer receives any of the Camp Street Incremental Property Taxes, he or she shall promptly remit the same for deposit into and credit to the separate accounts hereby created within the Camp Street Special Tax Allocation Fund and to be known as the “Senior Lien Principal and Interest Account,” the “Administrative Account,” the “Junior Lien Principal and Interest Account,” and the “General Account”. As moneys are deposited into the Camp Street Special Tax Allocation Fund, without any further official action or direction, the City Treasurer shall credit to and deposit the same as follows:

(i) **The Senior Lien Principal and Interest Account.** The City Treasurer shall first credit to and immediately transfer into the Senior Lien Principal and Interest Account all of the Camp Street Incremental Property Taxes, and, except as hereinafter provided, moneys to the credit of the Senior Lien Principal and Interest Account shall be used solely and only for the purpose of paying principal of and interest and applicable premium on the Outstanding Bonds as the same become due. Not later than each November 15, the City Treasurer shall continue to conduct an accounting (a “TIF Accounting”) to determine the balance of Camp Street Incremental Property Taxes on deposit in and to the credit of the Senior Lien Principal and Interest Account.
Each TIF Accounting shall determine for the Bonds the Principal Requirement and the Interest Requirement for the next Bond Year commencing after the Tax Year from which the Camp Street Incremental Property Taxes have been derived; that is, the Incremental Property Taxes derived from the 2019 Tax Year (collectible in 2020) shall be used to pay the Principal Requirement and the Interest Requirement for the Bond Year commencing January 1, 2020, and so on. If, upon any TIF Accounting, there are funds on deposit in and to the credit of the Senior Lien Principal and Interest Account in excess of such Principal Requirement and such Interest Requirement, such funds shall be transferred by the City Treasurer to the Administrative Account as hereinbelow provided.

(ii) The Administrative Account. The City Treasurer shall next credit to and immediately deposit into the Administrative Account Camp Street Incremental Property Taxes until the amount on deposit in and to the credit of the Administrative Account equals the Administrative Account Requirement. Amounts on deposit in and to the credit of the Administrative Account shall be used solely and only to pay the annual administrative expenses of the City related to the Plan, the Project and the Redevelopment Project Area.

If, upon any TIF Accounting, there are funds on deposit in and to the credit of the Administrative Account in excess of the Administrative Account Requirement, such funds shall be transferred by the City Treasurer to the Junior Lien Principal and Interest Account as hereinbelow provided.

(iii) The Junior Lien Principal and Interest Account. If, upon any TIF Accounting, any Junior Lien Bonds are outstanding, the City Treasurer shall next credit to and immediately transfer into the Junior Lien Principal and Interest Account the balance of the Camp Street Incremental Property Taxes, and, except as hereinafter provided, moneys to the credit of the Junior Lien Principal and Interest Account shall be used solely and only for the purpose of paying principal of and interest and applicable premium on the Junior Lien Bonds, if any, as the same become due.

If, upon any TIF Accounting, there are funds on deposit in and to the credit of the Junior Lien Principal and Interest Account in excess of any Junior Lien Principal Requirement and the Junior Lien Interest Requirement, such funds shall be transferred by the City Treasurer to the General Account as hereinbelow provided.

(iv) The General Account. All moneys remaining in the Camp Street Special Tax Allocation Fund, after crediting the required amounts to the Senior Lien Principal and Interest Account, the Administrative Account and, if any, the Junior Lien Principal and Interest Account hereinabove provided for, shall be transferred by the City Treasurer for deposit in and credit to the General Account. At any time and from time to time the City Treasurer shall transfer any moneys on deposit in the General Account, in order to remedy any deficiencies in any prior accounts of the Camp Street Special Tax Allocation Fund. Except as hereinbefore provided in this subsection (iii), moneys on deposit in the General Account shall be used for one or more of the following purposes, without any priority among them:
(a) for the purpose of paying any Project costs; or

(b) for the purpose of redeeming Outstanding Bonds, Prior Camp Street TIF Bonds or Junior Lien Bonds; or

(c) for the purpose of purchasing Outstanding Bonds, Prior Camp Street TIF Bonds or Junior Lien Bonds at a price not in excess of par and accrued interest and applicable redemption premium to the date of purchase; or

(d) for the purpose of refunding, advance refunding or prepaying any Bond, Prior Camp Street TIF Bond or Junior Lien Bond; or

(e) for the purpose of creating such additional reserves as may be deemed necessary by the Corporate Authorities, it being the express intent of the Corporate Authorities to reserve unto the City the right to establish such reserve or reserves in order to assure that the Full Faith and Credit Taxes may be abated in each Tax Year while any Bonds remain outstanding; or

(f) for the purpose of reimbursing the City for any transfer of general corporate funds of the City for purposes relating to the Plan, the Project, the Redevelopment Project Area, or the Redevelopment Project, including but not limited to funds disbursed for the payment of redevelopment project costs incurred by the City or advanced to abate the Full Faith and Credit Taxes and whether or not such reimbursement occurs in the relevant Tax Year for which such advance was made; or

(g) for the purpose of distributing Camp Street Incremental Property Taxes to the taxing districts or municipal corporations having the power to tax real property in the Camp Street Redevelopment Project Area or to the City pursuant to any redevelopment agreement; or

(h) for the purpose of paying principal of, or premium, if any, or interest on any obligation of the City issued to pay redevelopment project costs for the Camp Street Redevelopment Project Area, whether or not secured by a pledge of the monies to the credit of the Camp Street Special Tax Allocation Fund; or

(i) for any other purpose related to the Plan, the Project, the Camp Street Redevelopment Project Area or the Redevelopment Project pursuant to the TIF Act.

C. WEST WASHINGTON STREET REDEVELOPMENT PROJECT AREA SPECIAL TAX ALLOCATION FUND. The West Washington Street Redevelopment Project Area Special Tax Allocation Fund is hereby expressly continued as a special fund of the City, which fund shall be held separate and apart from all other funds and accounts of the City and shall be administered as
otherwise provided in the Prior TIF Bond Ordinance. Whenever a TIF Accounting shall determine that the Camp Street Incremental Property Taxes, when aggregated with the Pledged Rental Income and/or the Sales Taxes, shall be insufficient to pay the Principal Requirement and the Interest Requirement, without official action by or direction of the Corporate Authorities, the City Treasurer is authorized to transfer moneys, if any, then on deposit in and to the credit of the General Account of the West Washington Street Redevelopment Project Area Special Tax Allocation Fund to the Senior Lien Principal and Interest Account of the Camp Street Special Tax Allocation Fund, and such transferred Subordinated West Washington Street Incremental Property Taxes shall be used solely to pay principal of and interest on the Bonds at Stated Maturity or as called for mandatory or optional redemption as hereinafore provided. The remainder, if any, of the Incremental Property Taxes remaining on deposit in the General Account of the West Washington Street Redevelopment Project Area shall be deemed upon any such transfer to be released from the pledge of this Ordinance and shall not be “Subordinated West Washington Street Incremental Property Taxes” for any purpose of this Ordinance but rather shall be available to the City for any purpose as may be authorized pursuant to the Prior TIF Bond Ordinance and the TIF Act.

D. PLEDGED SALES TAX ACCOUNT. There is hereby continued a special fund of the City to be known as the “Pledged Sales Tax Account” (the “Pledged Sales Tax Account”), to be held by the City separate and apart from all other funds and accounts of the City. All of the Pledged Sales Taxes designated to pay principal of, interest on and premium, if any, on the Bonds, the Prior Sales Tax Bonds and any Additional Bonds shall be set aside as collected and remitted by the City Treasurer for deposit in the Pledged Sales Tax Account (or as may be otherwise provided for any of the Prior Sales Tax Bonds pursuant to the proceedings authorizing such Prior Sales Tax Bonds), which is a trust fund hereby continued for the purpose of carrying out the covenants, terms and conditions imposed upon the City by the Reform Act and this Ordinance. The Bonds are secured,
ratably and equally with the Prior Sales Tax Bonds, by a pledge of all of the Pledged Sales Taxes on deposit in the Pledged Sales Tax Account, and such pledge is irrevocable until the obligations of the City are discharged under this Ordinance.

The City Treasurer is hereby expressly authorized and directed to set aside from each distribution to the City by the State of sales taxes, or successor taxes thereto, so much (if any) of said distribution as he or she shall reasonably determine is necessary to establish a balance on deposit in and to the credit of the Pledged Sales Tax Account sufficient to meet the requirements of this Ordinance for the then current Bond Year. Said amount, if any, shall be immediately deposited each month by said Treasurer into the Pledged Sales Tax Account until the credit balance of said Account is, in the reasonable determination of the City Treasurer, sufficient to meet said requirements.

Not later than each November 15, the City Treasurer shall continue to conduct an accounting (a “Sales Tax Accounting”) to determine the balance of Pledged Sales Taxes on deposit in and to the credit of the Pledged Sales Tax Account.

Each Sales Tax Accounting shall determine the Principal Requirement and the Interest Requirement for the next Bond Year. If, upon any Sales Tax Accounting, there are funds on deposit in and to the credit of the Pledged Sales Tax Account in excess of such Principal Requirement and such Interest Requirement, such funds shall be transferred by the City Treasurer to the general corporate funds of the City as hereinbelow provided. The City Treasurer is hereby expressly directed and authorized to use moneys on deposit in and to the credit of the Pledged Sales Tax Account to pay principal of and interest on the Outstanding Bonds.

In the event the City Treasurer shall determine upon any Sales Tax Accounting that Pledged Sales Taxes are not necessary fully to pay (at Stated Maturity, upon redemption or otherwise) the Principal Requirement and the Interest Requirement, the balance of the Pledged
Sales Taxes then on deposit in and to the credit of the Pledged Sales Tax Account in excess of the necessary amount shall be released from the pledge of this Ordinance, and the City Treasurer shall promptly transfer such balance in excess of the necessary amount to the City to be used by the City for any lawful corporate purpose. Upon any such transfer and release, any such moneys shall no longer be deemed to be “Pledged Sales Taxes” under this Ordinance, and no registered owner of any Bond issued hereunder shall have the power to compel the City to apply such sales taxes to the payment of principal of, premium, if any, or interest on the Bonds.

E. INVESTMENTS. Except as otherwise expressly provided, moneys to the credit of the Pledged Rental Income Account, the Camp Street Special Tax Allocation Fund and the Pledged Sales Tax Account may be invested by the City Treasurer without further direction from or official action by the Corporate Authorities, but only in Qualified Investments or as otherwise provided by any authorization granted to municipal corporations by Illinois statute or court decision. Such investments may be sold from time to time by the Treasurer as funds may be needed.

All earnings or profit on any funds so invested in the Pledged Rental Income Account, the Camp Street Special Tax Allocation Fund or the Pledged Sales Tax Account shall be retained therein.

Moneys in any of said Accounts shall be invested by the Treasurer, if necessary, in investments restricted as to yield, which investments may be in United States Treasury Obligations—State and Local Government Series, if available, and to such end the Treasurer shall refer to any investment restrictions covenanted by the City or any Designated Officer thereof as part of the transcript of proceedings for the issuance of the Bonds, and to appropriate opinions of counsel.

F. ACCOUNT EXCESSES. Any amounts to the credit of the Accounts of the Camp Street Special Tax Allocation Fund or the Pledged Sales Tax Account in excess of the then current
requirements therefor may be transferred at any time by the City Treasurer to such other Account or Accounts, respectively, of the Camp Street Special Tax Allocation Fund or the Pledged Sales Tax Account as it may in his or her sole discretion designate.

Section 13. Full Faith and Credit Taxes Fund. There is hereby created a special fund of the City, which fund shall be held by the Paying Agent separate and apart from all other funds and accounts of the City and be known as the “Alternate Bond Fund” (the “Full Faith and Credit Taxes Fund”). The purpose of the Full Faith and Credit Taxes Fund is to provide a fund to receive and disburse Full Faith and Credit Taxes for any (or all) of the Bonds. All payments made with respect to the Bonds from the Pledged Revenues shall be made by the Paying Agent directly from the Pledged Rental Income Account, the Senior Lien Principal and Interest Account or the Pledged Sales Taxes Account. All Full Faith and Credit Taxes shall be deposited to the credit of the Full Faith and Credit Taxes Fund. The Full Faith and Credit Taxes Fund constitutes a trust fund established for the purpose of carrying out the covenants, terms and conditions imposed upon the City by this Ordinance.

Full Faith and Credit Taxes on deposit to the credit of the Full Faith and Credit Taxes Fund shall be fully spent to pay the principal of and interest on the Bonds prior to use of any moneys on deposit in the Pledged Rental Income Account, the Senior Lien Principal and Interest Account or the Pledged Sales Tax Account.

Section 14. Full Faith and Credit Taxes; Tax Levy. The Bonds are Alternate Bonds. For the purpose of providing funds to pay the principal of and interest on the Bonds, and as provided in Section 15 of the Reform Act, there is hereby levied upon all of the taxable property within the City, in the years for which any of such Bonds are Outstanding, a direct annual tax for each of the years while such Bonds or any of them are Outstanding, in amounts sufficient for that purpose,
and there be and there hereby is levied upon all of the taxable property in the City direct annual
taxes in the amounts (not to exceed $1,820,000 per year) and for the years as shall be provided in
the Bond Order (the “Full Faith and Credit Taxes”).

Following any extension of Full Faith and Credit Taxes, interest or principal coming due
at any time when there are insufficient funds on hand from the Full Faith and Credit Taxes to pay
the same shall be paid promptly when due from current funds on hand in advance of the collection
of the Full Faith and Credit Taxes herein levied; and when the Full Faith and Credit Taxes shall
have been collected, reimbursement shall be made to said funds in the amount so advanced.

Section 15. Filing with County Clerk. After this Ordinance becomes effective, a copy
hereof, certified by the City Clerk, together with an executed copy of the Bond Order, shall be
filed with the County Clerk. The County Clerk shall in and for each of the years required ascertain
the rate percent required to produce the aggregate Full Faith and Credit Taxes hereinbefore
provided to be levied in each of said years as set forth in the Bond Order; and the County Clerk
shall extend the same for collection on the tax books in connection with other taxes levied in said
years in and by the City for general corporate purposes of the City; and in said years the Full Faith
and Credit Taxes shall be levied and collected by and for and on behalf of the City in like manner
as taxes for general corporate purposes of the City for said years are levied and collected, and in
addition to and in excess of all other taxes. The Full Faith and Credit Taxes are hereby irrevocably
pledged to and shall be used only for the purpose of paying principal of and interest on the Bonds.

Section 16. Abatement of Full Faith and Credit Taxes. Not earlier than January 2 and not
later than the last date in any Tax Year that the County Clerk will accept the filing of an ordinance
levying a tax to be extended for such Tax Year for the payment of principal of and interest on
general obligation bonds, the City Treasurer shall determine (i) the amounts on deposit in and to
the credit of the Pledged Rental Income Account, the Camp Street Special Tax Allocation Fund,
and/or the Pledged Sales Tax Account, and available to pay the Principal Requirement and the
Interest Requirement for which the Full Faith and Credit Taxes have been levied for such Tax Year
and (ii) the amount of any additional monies reasonably anticipated to be transferred to the Pledged
Rental Income Account, the Camp Street Special Tax Allocation Fund (including, specifically, the
Subordinated West Washington Street Incremental Property Taxes), and/or the Pledged Sales Tax
Account, by proper proceedings of the Corporate Authorities. The City Treasurer shall set forth
the aggregate amount of funds which are on deposit in the Pledged Rental Income Account, the
Camp Street Special Tax Allocation Fund, and/or the Pledges Sales Tax Account, and which are
available for the purpose of abating the Full Faith and Credit Taxes to be extended during that Tax
Year. By proper proceedings the Corporate Authorities shall direct the abatement of the Full Faith
and Credit Taxes for that Tax Year by the aggregate amounts available and on deposit in the
Pledged Rental Income Account, the Senior Lien Principal and Interest Account, and/or the
Pledged Sales Tax Account, as evidenced by such determination. The City hereby expressly
covenants and agrees that Pledged Incremental Property Taxes shall not be used to abate any Full
Faith and Credit Taxes levied to pay any portion of the Bonds issued to pay costs other than
eligible redevelopment project costs as provided in the TIF Act.

Section 17. General Covenants. The City covenants and agrees with the registered
owners of the Bonds, so long as any Bonds remain Outstanding, as follows:

A. The City pledges the Pledged Revenues to the payment of the Bonds, and the
Corporate Authorities covenant and agree to provide for, collect and apply Pledged
Revenues to the payment of the Bonds payable from such Pledged Revenues as
hereinabove provided and the provision of not less than an additional .25 times debt
service. The determination of the sufficiency of the Pledged Revenues pursuant to this
subsection (A) shall be supported by reference to the Audit, and the reference to and
acceptance of the Audit by the Corporate Authorities shall be conclusive evidence that the conditions of Section 15 of the Reform Act have been met.

B. The City will punctually pay or cause to be paid from the Full Faith and Credit Taxes Fund, the Pledged Rental Income Account, the Senior Lien Principal and Interest Account, and the Pledged Sales Tax Account (being, collectively, the "Bond Fund"), the principal of and interest on the Bonds in strict conformity with the terms of the Bonds and this Ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements thereof and hereof.

C. The City will pay and discharge, or cause to be paid and discharged, from the Bond Fund any and all lawful claims which, if unpaid, might become a lien or charge upon the Pledged Moneys, or any part thereof, or upon any funds in the hands of the Paying Agent, or which might impair the security of the Bonds. Nothing herein contained shall require the City to make any such payment so long as the City in good faith shall contest the validity of said claims.

D. The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the Pledged Moneys and the Bond Fund.

E. The City will preserve and protect the security of the Bonds and the rights of the registered owners of the Bonds, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

F. The City will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and
for the better assuring and confirming unto the registered owners of the Bonds of the rights and benefits provided in this Ordinance.

G. As long as any Bonds are Outstanding, the City will continue to deposit and apply the Pledged Revenues and, if applicable, the Full Faith and Credit Taxes as provided herein. The City covenants and agrees with the purchasers of the Bonds and with the registered owners thereof that so long as any Bonds remain Outstanding, the City will take no action or fail to take any action which in any way would adversely affect the ability of the City to levy the Full Faith and Credit Taxes and to collect and to segregate the Pledged Moneys. The City and its officers will comply with all present and future applicable laws in order to assure that the Full Faith and Credit Taxes can be levied and extended and that the Pledged Revenues and the Full Faith and Credit Taxes may be collected and deposited into the respective Bond Fund as provided herein.

H. The Outstanding Bonds shall be and forever remain until paid or defeased the general obligation of the City, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to from the Pledged Revenues, as herein provided, from the levy of the Full Faith and Credit Taxes as provided in the Reform Act.

I. Within 270 days following the close of each Fiscal Year, the City will cause the books and accounts of the Fund to be audited by independent certified public accountants in accordance with appropriate audit standards. Said audit will be available for inspection by the registered owners of any of the Bonds.

Section 18. Additional Bonds. The City reserves the right to issue Additional Bonds from time to time payable from the Pledged Revenues, or from any portion of the Pledged Revenues, and any such Additional Bonds shall share ratably and equally in the Pledged Revenues with the
Bonds; provided, however, that no Additional Bonds shall be issued except upon compliance with
the provisions of the Reform Act as the Reform Act is written at this time.

Section 19. Defeasance. The Bonds may be discharged, payment provided for, and the
City’s liability terminated as follows:

(a) Discharge of Indebtedness. If (i) the City shall pay or cause to be paid to the
registered owners of the Bonds the principal, premium, if any, and interest to become due
thereon at the times and in the manner stipulated therein and herein, (ii) all fees and
expenses of the Bond Registrar shall have been paid, and (iii) the City shall keep, perform
and observe all and singular the covenants and promises in the Bonds and in this Ordinance
expressed as to be kept, performed and observed by it or on its part, then these presents and
the rights hereby granted shall cease, determine and be void. If the City shall pay or cause
to be paid to the registered owners of all Outstanding Bonds, or of a particular maturity of
the Bonds, the principal, premium, if any, and interest to become due thereon at the times
and in the manner stipulated therein and herein, such Bonds shall cease to be entitled to
any lien, benefit or security under this Ordinance, and all covenants, agreements and
obligations of the City to the holders of such Bonds shall thereupon cease, terminate and
become void and discharged and satisfied.

(b) Provision for Payment. Bonds for the payment or redemption of which
sufficient monies or sufficient Government Securities shall have been deposited with the
Bond Registrar (whether upon or prior to the maturity or the redemption date of such
Bonds) or similar institution having trust powers shall be deemed to be paid within the
meaning of this Ordinance and no longer outstanding under this Ordinance; provided,
however, that if such Bonds are to be redeemed prior to the maturity thereof, notice of such
redemption shall have been duly given as provided in this Ordinance or arrangements
satisfactory to the Bond Registrar shall have been made for the giving thereof. Government
Securities shall be considered sufficient only if said investments are not redeemable prior
to maturity at the option of the issuer and mature and bear interest in such amounts and at
such times as will assure sufficient cash to pay currently maturing interest and to pay
principal and redemption premiums if any when due on the Bonds.

The City may at any time surrender to the Bond Registrar for cancellation by it any
Bonds previously authenticated and delivered hereunder, which the City may have
acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation,
shall be deemed to be paid and retired.

(c) Termination of City’s Liability. Upon the discharge of indebtedness under
paragraph (a) hereof, or upon the deposit with the Bond Registrar or similar institution
having trust powers of sufficient money and Government Securities (such sufficiency being
determined as provided in paragraph (b) hereof) for the retirement of any particular Bond
or Bonds, all liability of the City in respect of such Bond or Bonds shall cease, determine
and be completely discharged and the holders thereof shall thereafter be entitled only to payment out of the money and the proceeds of the Government Securities deposited with the Bond Registrar or similar institution as aforesaid for their payment.

Section 20. Sale of the Bonds. Any two or more of the Designated Officers are hereby authorized to sell all or any portion of the Bonds to the Purchaser on such terms as they may deem to be in the best interests of the City, provided that the terms and parameters of this Ordinance shall be satisfied in full. The Bonds or any portion thereof may be sold as the Designated Officers shall determine that the proceeds of such sales are needed. Nothing contained in this Ordinance shall limit the sale of the Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof.

Subsequent to such sale, the Designated Officers shall file in the office of the City Clerk the Bond Order directed to the Corporate Authorities identifying the terms of the sale, the amount of the Bonds being sold, the dated date of the Bonds sold, the aggregate principal amount of Bonds sold, the principal amount of Bonds maturing and mandatorily redeemable in each year, the optional redemption provisions applicable to the Bonds, the interest rate or rates on the Bonds, and the information regarding the title of the Bonds, and thereafter the Bonds so sold shall be duly prepared and executed in the form and manner provided herein and delivered to the Purchaser in accordance with the terms of sale.

Any Designated Officer and such other officers of the City as may be necessary are hereby authorized to execute such other documents, as may be necessary to effectuate the issuance and delivery of the Bonds, including but not limited to:

(a) a Contract of Purchase by and between the City and the Purchaser (the “Purchase Contract”), which form shall be acceptable to the Designated Officers and as customarily entered into by the City; and

(b) such other closing certifications and documents as are customary in financings such as the Bonds;
and execution thereof by such officers is hereby deemed conclusive evidence of approval thereof with such changes, additions, insertions, omissions or deletions as such officers may determine, with no further official action of or direction by the Corporate Authorities. Prior to the execution and delivery of the Purchase Contract, the Designated Officers shall find and determine that no person holding any office of the City, either by election or appointment, is in any manner financially interested directly in his own name or indirectly in the name of any other person, association, trust or corporation, in the Purchase Contract.

Prior to the sale of the Bonds, the Mayor or Administrator of the City is hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Bonds, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Bonds treating the fee paid as interest on the Bonds) is less than the present value of the interest reasonably expected to be saved on the Bonds over the term of the Bonds as a result of the Municipal Bond Insurance Policy.

In the Bond Order, the Designated Officers shall find and determine that the Bonds have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Bonds does not exceed the maximum rate otherwise authorized by Applicable Law and that the net present value debt service savings to the City as a result of the issuance of the Bonds and the refunding of the Refunded Bonds is not less than 3.00% of the principal amount of the Refunded Bonds.

The preparation, use and distribution of a preliminary official statement and an official statement relating to each sale and issuance of the Bonds are hereby ratified and approved. The Designated Officers are each hereby authorized to execute and deliver an official statement relating to each sale and issuance of the Bonds on behalf of the City. Any preliminary official statement
and official statement herein authorized shall be in substantially the forms previously used for
general obligation financings of the City with appropriate revisions to reflect the terms and
provisions of the Bonds and to describe accurately the current condition of the City and the parties
to the financing.

Section 21. Use of Proceeds. The proceeds received from the sale of the Bonds shall be
used as follows:

A. Accrued interest and capitalized interest in the amount and for the period as
specified in the Bond Order, shall be credited to such fund or account as may be provided
in the Bond Order and be applied to pay first interest due on the Bonds.

B. The amount necessary of the proceeds of the Bonds shall be deposited into a
separate fund, hereby created, designated the “Expense Fund” to be used to pay expenses
of issuance of Bonds. Disbursements from such fund shall be made (A) directly by the
Purchaser on the date of delivery of the Bonds or (B) from time to time by the Treasurer
of the City, without further action of the Corporate Authorities. Any excess in said fund
shall be deposited into the Bond Fund.

C. The amount necessary from the proceeds of the Bonds, together with such
money in the bond fund for the Series 2010A Bonds as may be advisable for the purpose,
shall be used to provide for the Refunding of the Refunded Bonds pursuant to the
provisions of an escrow (the “Escrow Agreement”) to be entered into between the District
and Amalgamated Bank of Chicago, Chicago, Illinois, as escrow agent (or such other bank
named therein, the “Escrow Agent”), in substantially the form attached hereto as Exhibit
A and made a part hereof by this reference, or with such changes therein as shall be
approved by the officers of the City executing the Escrow Agreement, such execution to
constitute evidence of the approval of such changes, for the purpose of paying the principal
of and interest on the Refunded Bonds when due and upon redemption prior to maturity. The Council approves the form, terms and provisions of the Escrow Agreement and directs the Mayor and Clerk to execute, attest and deliver the Escrow Agreement in the name and on behalf of the City. Amounts in the escrow may be used to purchase direct obligations of or obligations guaranteed by the full faith and credit of the United States of America (the “Government Securities”) to provide for the payment of the principal of and interest on the Refunded Bonds when due and upon redemption prior to maturity. The Escrow Agent, the Purchaser and any bidding agent to be named in the Bond Order are each hereby authorized to act as agent for the City in the purchase of the Government Securities. Subject only to the delivery of the Bonds and the necessary deposit into the Escrow Agreement, such of the Refunded Bonds as are identified in the Bond Order as the Refunded Bonds are hereby determined to be Refunded Bonds and are called for redemption at their earliest possible call dates set forth in the Bond Order, and with the appropriate notice to be given as set forth authorizing the bond ordinance for the Series 2010A Bonds.

Section 22. Bond Registrar Covenants. If requested by the Bond Registrar, the Designated Officers are authorized to execute a Bond Registrar's agreement by and between the City and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Such duties shall include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential to the extent permitted by law;
(c) to give notice, if any, of redemption of Bonds as provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the City at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the City at least annually an audit confirmation of Bonds paid, Outstanding Bonds and payments made with respect to interest on the Bonds.

The City Clerk is hereby directed to file a certified copy of this Ordinance with the Bond Registrar.

The City covenants with respect to the Bond Registrar, and the Bond Registrar further covenants and agrees as follows:

A. The City shall at all times retain a Bond Registrar with respect to the Bonds; it will maintain at the designated office(s) of such Bond Registrar a place or places where Bonds may be presented for payment, registration, transfer or exchange; and it will require that the Bond Registrar properly maintain the Bond Register and perform the other duties and obligations imposed upon it by this Ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

B. The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Bond, and by such execution the Bond Registrar shall be deemed to have certified to the City that it has all requisite power to accept and has accepted such duties and obligations not only with respect to the Bond so authenticated but with respect to all the Bonds. Any Bond Registrar shall be the agent of the City and shall not be liable in connection with the performance of its duties except for its own negligence or willful wrongdoing. Any Bond
Registrar shall, however, be responsible for any representation in its certificate of authentication on Bonds.

C. The City may remove the Bond Registrar at any time. In case at any time the Bond Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudicated a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Bond Registrar or of the property thereof shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or of the property or affairs thereof, the City covenants and agrees that it will thereupon appoint a successor Bond Registrar. The City shall give notice of any such appointment made by it to each registered owner of any Bond within twenty days after such appointment in the same manner, or as nearly the same as may be practicable, as for a redemption of Bonds. Any Bond Registrar appointed under the provisions of this Section shall be a bank, trust company, or national banking association maintaining its principal corporate trust office in Illinois, and having capital and surplus and undivided profits in excess of $50,000,000.

Section 23. This Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the City and the registered owners of the Bonds, each in accordance with terms hereof; and no changes, additions or alterations of any kind shall be made hereto.

Section 24. Supplemental Ordinances. The rights and obligations of the City and of the owners of Outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the Corporate Authorities with the written consent of the owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said Bonds owned by or under the control of the City); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority of any Outstanding

-50-
Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise
alter or impair the obligation of the City to pay the principal of and interest on any of the
Outstanding Bonds at the time, place, rate, and in the currency provided therein, or alter or impair
the obligations of the City with respect to registration, transfer, exchange or notice of redemption
of Bonds, without the express consent of the owners of all the Outstanding Bonds affected; nor
shall any such modification or amendment reduce the percentage of the owners of Outstanding
Bonds required for the written consent of such modification or amendment without the consent of
the owners of all of the Outstanding Bonds.

Section 25. Continuing Disclosure Undertaking. The Mayor or Treasurer of the City is
hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure
Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange
Commission pursuant to the Securities Exchange Act of 1934, as amended (the “Continuing
Disclosure Undertaking”). When the Continuing Disclosure Undertaking is executed and
delivered on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be
binding on the City and the officers, employees and agents of the City, and the officers, employees
and agents of the City are hereby authorized, empowered and directed to do all such acts and things
and to execute all such documents as may be necessary to carry out and comply with the provisions
of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of
this Ordinance, the sole remedy for failure to comply with the Continuing Disclosure Undertaking
shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance
by court order to cause the City to comply with its obligations under the Continuing Disclosure
Undertaking.

Section 26. Municipal Bond Insurance. In the event the payment of principal and
interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “Municipal
“Bond Insurance Policy”) issued by a bond insurer (the “Bond Insurer”), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the City and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the Mayor of the City on advice of counsel, his or her approval to constitute full and complete acceptance by the City of such terms and provisions under authority of this Section.

Section 27. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 28. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

CREATION OF ESCROW

Section 2.01. The City by the Bond Ordinance has authorized the issue and delivery of the Bonds, proceeds of which, together with certain funds of the City on hand and legally available for such purpose, are to be used to refund the Refunded Bonds by the deposit on demand and to
purchase on behalf of the City the Government Securities. Such deposit and securities will provide all moneys necessary to pay the principal of and interest on the Refunded Bonds when due and upon redemption prior to maturity.

Section 2.02. The City deposits $____________ from the proceeds of the Bonds, $_____ from the proceeds of the Refunded Bonds and $__________ from funds on hand and legally available for the purchase of Government Securities and the funding of a beginning cash escrow deposit on demand in the amount of $__________ (the “Beginning Deposit”). Section 2.03. The Escrow Agent and the City have each received the report of [Grant Thornton LLP, Minneapolis, Minnesota], attached hereto as Exhibit B (the “Verification Report”), that the principal of and income and profit to be received from the Government Securities, when paid at maturity, and the cash held in accordance with Section 2.02 hereof, will be sufficient, at all times pending the final payment of the Refunded Bonds, to pay all interest on and all principal of the Refunded Bonds when due and upon redemption prior to maturity as evidenced by the Verification Report.

Otherwise, the Escrow Agent will reinvest all available uninvested balances (except for an amount under $1,000 or as explicitly provided in this Section) in the Escrow Account on deposit from time to time, whenever said balances exceed $1,000 unless said balance is needed to pay principal of or interest on refunded bonds within 14 days, and acknowledges that the schedule of amounts available for reinvestment appears in the cash flow tables in the Verification Report and in *Exhibit C*. Investments so made shall be in direct obligations of the United States of America and shall be scheduled to mature on or prior to the interest payment date on the Refunded Bonds on which such proceeds will be needed to pay the principal of or interest on the Refunded Bonds.

Section 3.04. The Escrow Agent in its separate capacity as Paying Agent, will remit, in good funds on or before each principal or interest payment or redemption date on the Refunded Bonds, moneys sufficient to pay such principal, interest and redemption price as will meet the requirements for the retirement of the Refunded Bonds, and such remittances shall fully release and discharge the Escrow Agent from any further duty or obligation thereto under this Agreement.

Section 3.05. The Escrow Agent will make no payment of fees, charges or expenses due or to become due, of the Paying Agent or the bond registrar and paying agent on the Bonds, and the City either paid such fees, charges and expenses in advance as set forth in Section 3.06 hereof or covenants to pay the same as they become due.

Section 3.06. decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery.

Section 3.09. The Escrow Agent may in good faith buy, sell or hold and deal in any of the Bonds or the Refunded Bonds.

Section 3.10. The Escrow Agent will submit to the Treasurer a statement within forty-five (45) days after January 2 and July 2 of each calendar year, commencing January 2, 2020, itemizing all moneys received by it and all payments made by it under the provisions of this Agreement during the preceding six (6) month period (or, for the first period, from the date of delivery of the Bonds to January 2, 2020), and also listing the Government Securities on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the collection of the Government Securities.

Section 3.11. If at any time it shall appear to the Escrow Agent that the available proceeds of the Government Securities and deposits on demand in the Escrow Account will not be sufficient to make any payment due to the holders of any of the Refunded Bonds, the Escrow Agent shall notify the Treasurer and the Council, not less than five (5) days prior to such date, and the City agrees that it will from any funds legally available for such purpose make up the anticipated deficit so that no default in the making of any such payment will occur.

Section 4.03. The City will take any and all further action necessary to ensure that adequate provision is made for the payment of the Refunded Bonds and will take no action which would cause the Bonds to be classified as “arbitrage bonds” under the Internal Revenue Code of 1986, as amended.

MEMORANDUM

September 26, 2019

TO: Mayor John P. Kahl and Members of the City Council

FROM: Scott A. Brunton, City Attorney’s Office

SUBJECT: Access Road 6 Improvement Project / Contract Award

DISCUSSION:

At the last City Council meeting, the City Council (by Ordinance No. 4457) initiated the process for establishing a special service area for undertaking a road improvement project for the northern portion of Access Road 6 off of North Main Street in East Peoria, and this special service area has been designated “Special Service Area 2019A”. The City Council and City Officials have undertaken this process to create Special Service Area 2019A at the request of the business property owners with property located on this portion of Access Road 6.

These business property owners have also requested that this road improvement project for Access Road 6 be completed during the remaining portion of the 2019 construction season. Additionally, LaHood Construction has submitted a quote to complete this road improvement project at a cost of $367,470.00. These business property owners have also found this project quote and cost to be acceptable, as they will be paying the full cost of this project through the financing process for special service areas available under the applicable Illinois statutes. When Special Service Area 2019A is established, these same property owners in Special Service Area 2019A will pay an additional property tax over a ten-year period to pay off any debt incurred by the City to finance the road improvements to Access Road 6. This Resolution approves the award of a contract to LaHood Construction to undertake and complete the improvements to Access Road 6.

Additionally, the City will require engineering assistance and oversight for this road improvement project. Thus, this Resolution also approves a contract with the engineering firm of Patrick Meyer and Associates to provide this necessary engineering oversight during the construction of the improvements to Access Road 6, with the cost of these engineering services being no more than 5% of the total construction costs for this road improvement project.

RECOMMENDATION: Approval of this Resolution.
