

TO: The Honorable Mayor and the City Council

FROM: Dennis Triggs, City Attorney and Ty Livingston, Director of Planning & Community Development

DATE: August 26, 2020

SUBJECT: Temporary Easement for the East Peoria Sanitary District on behalf of the Army Corps of Engineers for maintenance work along Farm Creek between Clock Tower and Camp Street Crossing

BACKGROUND: The City is pleased that the Army Corps of Engineers is prepared to undertake some significant maintenance work on the Farm Creek waterway. The Corps has asked for a temporary easement over City property to be used as a staging area while a contractor performs the necessary work. Although the drainage way is owned by and the responsibility of the East Peoria Sanitary District, the City and its residents benefit from the maintenance of Farm Creek and it is the best interest of the City to provide an appropriate temporary easement. The temporary easement will be granted to the East Peoria Sanitary District. Any damage (little to none is expected) to the property will be remediated at the completion to the project.

RECOMMENDATION: Approval, as presented.
