

## **Department of Tourism and Special Events**

---

**TO:** The Honorable Mayor and City Council

**FROM:** Doug McCarty, Director of Tourism and Special Events

**DATE:** January 13, 2021

**SUBJECT:** Installation of Festival Building Security and Camera System

**DISCUSSION:** Over the past year, there have been multiple attempts of theft outside the Festival Building. The current camera system is outdated, and footage of a recent theft was not at the resolution needed to clearly identify the vehicles involved. There are also areas of the building currently with no camera coverage. The contents inside the Festival Building are very valuable and having a secure building is necessary.

**RECOMMENDATION:** Approve the bid for installation of a security and camera system for the Festival Building in the amount of \$11,230 from Christenberry Systems and Alarm Company Inc.
