Fire Chief

TO: The Honorable Mayor and the City Council

THRU: Commissioner Mingus

FROM: Fire Chief John Knapp

DATE: January 27, 2021

SUBJECT: Purchase of a used ambulance and the sale of a current reserve ambulance

DISCUSSION: Please consider the purchase of a 2007 Ford F350 Diesel, MedTech conversion, from the Washington Fire Department. The unit has been inspected and is in excellent condition with 77,067 miles and is available for \$10,000. In addition, please consider the sale of one of our current reserve ambulances, Paramedic 2, a 2000 Freightliner MedTech with 183,000 miles and 17,300 hours. We estimate the sale price on that unit at \$4,000. By replacing the 2000 Freightliner with the 2007 Ford, we anticipate that the service life of this reserve ambulance will be increased significantly for a minimal cost.

RECOMMENDATION: It is my recommendation that the you approve the purchase of the 2007 Ford F-350 and authorize the sale of the 2000 Freightliner. I have attached the 2007 Ford Information for your review.
