Department of Buildings & Inspections
Facilities Management Division
401 W. Washington Street
East Peoria, IL 61611**

DATE: February 8, 2021

TO: The Honorable Mayor and City Council

THRU: Mark Hill, Commissioner of Accounts and Finance, Ty Livingston,
Director of Planning and Community Development

FROM: Robert Cole, Director of Buildings & Inspections 

SUBJECT: Festival of Lights LED Parking Lot Lighting Upgrade Project

DISCUSSION: The Festival of Lights parking lot lighting is fed from three different electric services. Two are for the parking lot lights, which are located out by the road and other is fed off the building service. The two electric services for the parking lot will be eliminated with the redesign of the parking lot lighting.

The City plans on installing three new light poles in the parking lot and will feed the power from the existing building electric service eliminating the need for the other services which will save \$75.00 month in service fees. It is also recommended to replace 15- wall pack light fixtures on the building with 15- LED new fixtures.

Ameren Illinois has a program that offers municipalities incentives to replace inefficient exterior lighting. The Ameren incentive would be \$2,038.50.

The City received three (3) competitive bids and is recommending the lowest responsible bid from Graybar Electric Supply for the amount of \$13,603.23.

RECOMMENDATION: Accept the lowest most responsible bid from Graybar Electric Supply in the amount of \$13,603.23 for the Parking lot Lighting Upgrade. Project will be paid out of the Electrical Aggregation Fund.

RESOLUTION NO. 2021-107

East Peoria, Illinois
_____ , 2021

RESOLUTION BY COMMISSIONER _____

WHEREAS, the current Festival of Light building parking lot light configuration and fixtures are in need of a redesign of the electric services, eliminating two electric services, and replacement of light fixtures with new LED fixtures (the “Festival of Lights Building LED Parking Lot Lighting Upgrade Project”); and

WHEREAS, the Festival of Lights Building LED Parking Lot Lighting Upgrade Project will save in service and electricity costs; and

WHEREAS, the City has obtained bids for the Festival of Lights Building LED Parking Lot Lighting Upgrade Project; and

WHEREAS, the City received the lowest responsible bid from Graybar Electric Supply Company (“Graybar”) for the Festival of Lights Building LED Parking Lot Lighting Upgrade Project in the amount of \$13,603.23 paid out of the Electrical Aggregation Fund; and

WHEREAS, the Lighting Replacement Project is eligible for incentives from Ameren Illinois estimated at \$2,038.58; and

WHEREAS, the City desires now to accept the lowest responsible bid for the Festival of Lights Building LED Parking Lot Lighting Upgrade Project as specified at “Exhibit A” (the “Low Bid”) attached hereto and incorporated herein by reference;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF EAST PEORIA, TAZEWELL COUNTY, ILLINOIS, THAT the Low Bid is hereby approved and accepted, and the Mayor or his designee is hereby authorized and directed to accept the Low Bid together with such modifications therein as the Mayor in his discretion may approve; provided, however, that the City shall have no obligation under the terms of this Resolution until an executed original of the contract accepting the Low Bid has been delivered to Graybar.
