

MEMORANDUM

April 1, 2021

TO: Mayor John P. Kahl and Members of the City Council
THRU: Michael Sutherland, Commissioner of Public Property
FROM: Cord Crisler, Water and Wastewater Superintendent
SUBJECT: Additional Work for Wastewater Treatment Plant

DISCUSSION:

During construction of the Wastewater Treatment Plant capital project the City encountered an unforeseen problem at the main treatment plant work site that caused a delay and required the special handling of groundwater that continued to surcharge into an excavated portion of the work site. It was necessary to dig a large temporary dewatering detention basin on nearby City owned property and for an extended period to pump the liquid into the newly dug basin. The cost of the additional work and the resulting delay necessitates this change order.

RECOMMENDATION:

Approve Invoice for Williams Brothers proposal in the amount of \$180,739.00.
