Commissioners  
Dan Decker      Mike Sutherland

**TO:            The Honorable Mayor and the City Council**

**FROM:       Ric Semonski, Superintendent of Streets**

**DATE:        October 13, 2021**

**SUBJECT:    RECOMMENDATION TO APPROVE THE ANNUAL AGREEMENT WITH  
PPUATS AT A COST OF \$9,048.00**

**DISCUSSION:**      This resolution is to approve \$9,048.00 as our annual membership fee and the agreement with Peoria/Pekin Urbanized Transportation System (PPUATS), payable to Tri-County Regional Planning Commission. This agreement entitles the City to take part in transportation funding opportunities offered by this organization. PPUATS acts as the clearing house for Federal and State transportation funding opportunities prioritizing projects that best represent the interest of the metropolitan planning area as well as individual community needs.

Most Federal and State funds are routed through Metropolitan Planning Organizations (MPO) such as the PPUATS organization and the Tri-County Regional Planning Commission. The organization and commission also provide other services such as assisting with Federal and State guideline requirements and providing coordination between agencies to ensure continuity of systems as well as up to date information in all areas of transportation.

We have taken advantage of this funding mechanism over the years and have been extremely successful in winning project funding resulting in millions of dollars in projects such as Centennial Phases 1-5 and Summit Drive Extension. We currently have the Camp Street/River Road and the Camp Street/Riverside Drive intersections approved for funding.

**RECOMMENDATION:**      Approve the annual agreement with Peoria/Pekin Urbanized Transportation System and the \$9,048.00 fee payable to Tri-County Regional Planning Commission.

**RESOLUTION 21-12  
 JOINT PPUATS FUNDING AGREEMENT – UNIFIED WORK PROGRAM FY 2022**

This agreement is hereby entered into by the members of the participating agencies of the metropolitan planning organization (MPO) of the Peoria-Pekin Urbanized Area, recognized under Section 134 of the *Fixing America’s Surface Transportation Act (FAST Act)*. It is intended to set forth the procedures and methods agreed upon to ensure sufficient local matching funds enabling the Peoria-Pekin Urbanized Area to receive **\$681,421** in Federal Highway Administration and Federal Transit Administration planning funds. The funding requires a 20% local match, requiring a total local match of **\$170,355** for Fiscal Year 2022. It is further agreed that the Greater Peoria Mass Transit District provides **\$3,800** as a pass-through membership fee for participation in the planning process.

The Federal Planning funds, FTA funds, and local dollars will be utilized for the work and services performed in accordance with the Unified Planning Work Program (UPWP) for Fiscal Year 2022. The work and services and their associated costs as contained in the UPWP were adopted by both the PPUATS Policy Committee and the Tri-County Regional Planning Commission. If state funds can be utilized to offset local match for FY22, local dollars will be programmed by the MPO and Tri-County Regional Planning Commission in a separate work program.

Each participating agency identified herein hereby agrees to pay its entire share to the MPO not later than November 1, 2021. The MPO is hereby designated to deposit local funds into a special bank account. Withdrawals from this account shall be for reimbursement for work accomplished on the appropriate designated work tasks. The MPO shall make a monthly report to the MPO Policy Committee accounting for the expenses incurred on the work tasks identified in the UPWP. Federal and State funds shall be requested by and dispersed directly to the MPO in accordance with agreements of the State of Illinois and the Greater Peoria Mass Transit District.

The local money for FY 2022 shall be provided by each of the participating agencies noted herein by the contributing percentage of MFT funds each such agency received in Calendar Year 2020.
