**TO:            The Honorable Mayor and the City Council**

**FROM:       Ric Semonski, Superintendent of Streets**

**DATE:        July 27, 2022**

**SUBJECT:    RECOMMENDATION TO APPROVE THE ANNUAL AGREEMENT WITH  
PPUATS AT A COST OF \$10,569.00**

**DISCUSSION:**      This resolution is to approve \$10,569.00 as our annual membership fee and the agreement with Peoria/Pekin Urbanized Transportation System (PPUATS), payable to Tri-County Regional Planning Commission. This agreement entitles the City to take part in transportation funding opportunities offered by this organization. PPUATS acts as the clearing house for Federal and State transportation funding opportunities prioritizing projects that best represent the interest of the metropolitan planning area as well as individual community needs.

Most Federal and State funds are routed through Metropolitan Planning Organizations (MPO) such as the PPUATS organization and the Tri-County Regional Planning Commission. The organization and commission also provide other services such as assisting with Federal and State guideline requirements and providing coordination between agencies to ensure continuity of systems as well as up to date information in all areas of transportation.

We have taken advantage of this funding mechanism over the years and have been extremely successful in winning project funding resulting in millions of dollars in projects such as Centennial Phases 1-5 and Summit Drive Extension. We currently have the Camp Street/Riverside Drive intersections approved for funding with design underway and construction next season.

**RECOMMENDATION:**      Approve the annual agreement with Peoria/Pekin Urbanized Transportation System and the \$10,569.00 fee payable to Tri-County Regional Planning Commission.
