

East Peoria Police Department

TO: The Honorable Mayor and the City Council

THRU: Morgan Cadwalader, City Clerk

FROM: Chief of Police Rich Brodrick

DATE: August 9, 2022

SUBJECT: Squad car purchase and upfitting

DISCUSSION: The Police Department recently had another driver crash into one of our squad cars. Insurance has since decided that the car is a total loss. To replace the officer's car we would like to purchase another car from Morrow Brother's Ford, where they have consistently ordered additional base package vehicles that are available on a first come first serve basis. The dealership also offers upfitting services for a turnkey solution, minus striping. Each Explorer base package would be \$36,485 with upfitting priced at \$10,640. Per vehicle cost from the dealership would be \$47,125. In contacting the dealership, they will do all they can to help us get a replacement, however they do not know if they will absolutely be able to get a car for us.

It should be noted that additional options may have to be added after purchase to match current squad car outfitting. This amount would be covered by line item 03-00-0-183.

RECOMMENDATION: Approval of the purchase of one 2022 Ford vehicles with upfitting, for \$47,125 from Morrow Brother's Ford.

Please see supporting documentation attached.
