Commissioners  
Dan Decker Michael Sutherland

**TO:** The Honorable Mayor and the City Council

**THRU:** Dan Decker, Commissioner of Streets

**FROM:** Ric Semonski, Supervisor of Streets

**DATE:** January 18, 2023

**SUBJECT:** RECOMMENDATION TO APPROVE THE ATTACHED QUOTE FOR REPAIRS TO ONE OF THE DEPARTMENTS THREE GARBAGE TRUCKS

**DISCUSSION:**

On October 21, 2021, one of the Solid Waste Department garbage trucks had a major failure to the rear drive train system. A spindle had failed on the trucks trunnion system completely disabling the vehicle. The trunnion carries the weight of the entire rear tandem axle and suspension system. The damaged spindle is one of two that secure the rear axle system to the truck chassis and allow for swing/pivot movement as the vehicle traverses uneven surfaces.

The same situation mentioned above is happening to one of the other garbage trucks placing the truck in eminent danger of downtime or catastrophic failure.

Due to the workload, shop capacity and need to ensure the garbage truck is road worthy it is necessary to have the repairs made as soon as possible and performed contractually.

**RECOMMENDATION:**

Approve the attached estimate submitted by Mack Sales and Service of Decatur - Morton in the amount of \$12, 724.81 to be paid for out of the Solid Waste Department Operations and Maintenance budget account number 05-00-0-052 titled Maintenance and Repair of Vehicles.
