

MEMORANDUM

April 24, 2023

TO: Mayor John P. Kahl and Members of the City Council

FROM: City Attorney Scott A. Brunton

SUBJECT: Sale or Disposal of Excess City Vehicles & Equipment (Public Works and Fire Departments)

DISCUSSION:

Both the Public Works Department and the Fire Department have excess vehicles and equipment that is no longer of use by their respective Departments or by the City. Each of these vehicles and pieces of equipment has reached the end of its useful life or has been replaced with newer equipment, and therefore can be retired. The sale or disposal of these vehicles and pieces of equipment will allow each Department to eliminate clutter and possibly receive some type of a return on investment for the City.

This Resolution approves the sale of these vehicles and pieces of equipment, and if that is unsuccessful, the remaining vehicles and pieces of equipment can be disposed of in any seen fit by the respective Department Head.

RECOMMENDATION: Approval.
